

PathShift Pro

High-quality outplacement support at a fraction of the cost.

01.

THE CHALLENGE

Workforce change is never easy. Leaders are under pressure to:

- **Support people** leaving with empathy and fairness.
- **Protect employer brand** and reputation.
- **Manage costs** while still delivering meaningful outcomes.

Traditional outplacement often comes with high fees and limited reach, leaving many employees without the support they need.

02.

OUR SOLUTION

PathShift Pro is a **six-module, evidence-based career transition program designed for today's workforce.**

- Practical support: CVs, job search tools, interview prep.
- Wellbeing & resilience: grounded in positive psychology research.
- Future focus: helping people see possibility, not just loss.
- Accessible & scalable: available to every employee, not just a select few.

03.
